

PUBLIC NOTICE OF RIVERFRONT PARK

REMEDIAATION ACTIVITY

Beginning in the near future, remediation and restoration activities will be performed by EPA and MDEQ within Riverfront Park to address Libby Amphibole asbestos and/or vermiculite in the soil. During the course of the response action, access to City Service Road will be restricted to local traffic only. Access to the boat ramp will be closed between the hours of 7:00 AM and 5:00 PM, Monday-Saturday. For safety, there will be no public access to the remainder of the park until after the completion of the remediation.

The City of Libby, EPA and MDEQ thank you in advance for your cooperation and apologize for any inconvenience this may cause. Please contact the City of Libby at (406) 293-2731 or the EPA Information Center at (406) 293-6194 with any questions or concerns.
